PROJECTS & EXPERIENCE

Multimedia Designer | SciVite | May 2025

A virtual interactive tour experience for WSU Vancouver's Life Sciences Building, commissioned by the university for the purpose of recruitment and promotions.

- Created designs illustrations and social media graphics in Adobe Suite to effectively communicate the programs value.
- Ensured consistent branding across all materials to maintain a unified visual identity using Figma.
- Collaborated with a team to develop innovative design solutions to attract prospective students.

Animated Event Poster | Halloween Extravaganza | January 2023

Designed and animated a dynamic event poster using Adobe Illustrator and After Effects, combining vector graphics and motion design to create an engaging promotional piece.

- Developed striking vector illustrations and integrated motion design to enhance visual impact.
- Utilized After Effects for smooth animation transitions, ensuring the poster's energy matched the event's theme.
- Demonstrated creativity and technical proficiency in combining design elements to effectively capture the event's purpose.

Logo Design | Aultimate Cleaning | January 2023

Designed a custom logo for a house cleaning business using Adobe Illustrator, creating a professional and versatile design for use across various branding materials.

- Developed a clean, professional logo that reflects the company's values and services.
- Designed a versatile logo adaptable for both print and digital use, including shirts, business cards, websites, and social media, with multiple variations like a favicon and secondary icon to ensure consistency across all platforms.

WORK EXPERIENCE

Teachers Aid | **WSU Vancouver** | January 2025 to Current

- Assists in updating course materials for Multimedia COM 210 by aligning the digital textbook with Adobe product updates.
- Creates instructional videos and voiceovers using Adobe Audition, edits content in Adobe Premiere Pro, and uploads finalized videos to YouTube for easy student access.

Authorization Specialist | **Rebound Neurosurgery & Orthopedics** | January 2022 – Current

- Reviews and processes prior authorization requests, ensuring accuracy, completeness, and compliance with insurance guidelines.
- Maintains records in EMR systems and efficiently handles high-volume workloads with strong attention to detail and communication skills.
